FOR IMMEDIATE RELEASE

PDES, Inc. Organization Announcement

Fort Worth, TX – July 20, 2021

PDES, Inc. is pleased to announce two organizational changes. Brian Chiesi will be stepping into the role of General Manager, and David Selliman will be taking the new position of Membership Committee Director. The General Manager oversees the day-to-day operations of the organization. The Membership Committee Director will oversee membership growth and retention.

Mr. Chiesi served as the Boeing Representative on the Executive Board of PDES, Inc. prior to retiring from Boeing as Director of BCA Digital Transformation

“I look forward to working with the board and the technical team to help shape the future direction of this established and respected organization,” said Mr. Chiesi.

David Selliman is VP of North America at CoreTechnologie and is a member of the PDES, Inc. Board.

Mr. Selliman stated, “My goal is to encourage more companies to take advantage of the benefits of the opportunities offered by participation in PDES, Inc.”

Dr. Michael R. Jahadi, President of the PDES, Inc. Board, stated, “Brian will help to ensure the organization’s continued success and concentrate on the daily operation and budget planning. While David would concentrate on the image of PDES, Inc. and he would partner with Brian to bringing in new participants to the PDES, Inc.. We are very excited to have Brian and David taking on these roles.”

PDES, Inc. is a participation-based consortium focused on the development and implementation of model-based standards to support the digital enterprise. Founded in 1988, the organization includes members from Industry, Government and Academia. More information can be found at <https://pdesinc.org/>.
